DEAL-WRAP

By Robert Carr

CAROL STREAM, IL-**Meridian Design Build** has been selected by **MC²**, a company in the event and exhibits industry, to complete the renovation of a 50,000-square-foot building at 160 E. Fullerton here. The single-tenant industrial building is owned by **Colony Realty Partners** and managed by **Colliers International**. The tenant is moving its manufacturing operations from its existing facility at 2120 S. Jefferson in Chicago.
