Meridian Completes 226,616 SF Industrial Tenant Build-out in Romeoville, Illinois

POSTED ON MAY 26, 2017 BY KRISTIN HILLER IN ILLINOIS, INDUSTRIAL, MIDWEST

The property is located at 1881 Normantown Road.

ROMEOVILLE, ILL. — Meridian Design Build has completed a 226,616-square-foot Industrial tenant build-out for Molto Properties and LASCO Fittings Inc. in Romeoville. The property is located at 1881 Normantown Road. The new facility includes 4,486 square feet of office space and a 221,616-square-foot distribution warehouse with 35 loading docks, 205 auto parking stalls, 39 trailer stalls and two drive-in doors. Additional work consisted of a shipping office, dock upgrades and modifications to the overhead lighting. Ware Malcomb served as project architect and V3 Cos. provided civil engineering services for the project.
