

## Meridian Design Build Completes 304,317 SF Distribution Facility in Pennsylvania

POSTED ON JULY 21, 2016 BY AMY WORKS IN INDUSTRIAL, NORTHEAST, PENNSYLVANIA

*Located in Pittston Township, Pa., the 304,317-square-foot distribution facility features 99 loading docks, 237 interior van loading positions and 350 exterior trailer stalls.*

PITTSTON TOWNSHIP, PA. — Meridian Design Build has completed the construction of an automated package sorting and distribution center for developer Scannell Properties. Constructed on a design-build basis, the new facility is located on 59.1 acres in Pittston Township. The 304,317-square-foot building features 99 loading docks, 237 interior van loading positions, 593 auto parking stalls and 350 exterior trailer stalls. Additionally, the facility features 14,734 square feet of office space, a 2,940-square-foot gateway building and a 5,180-square-foot maintenance shop. Architectural services were provided by Precept Design and civil engineering services were provided by Kimley-Horn.
