RENOVATION COMPLETE AT HIGHLAND BAKING CO. IN ILLINOIS

NORTHBROOK, ILL. — Meridian Design Build has completed a 12,500-square-foot corporate office headquarters renovation for Highland Baking Co. in Northbrook. The project included private offices, a sales area, updated restrooms, conference rooms and an employee lunch area. Additionally, the project included the installation of an ultra-high efficiency boiler, new high-efficiency rooftop units and an updated plumbing system. A+M Architects provided architectural services for the project.
