MERIDIAN BREAKS GROUND ON 100,000SF DISTRIBUTION CENTER

LOVES PARK, ILL. — Meridian Design Build has started construction on a 100,000-square-foot build-to-suit warehouse/distribution facility at Loves Park Corporate Center in Loves Park for developer Venture One Real Estate. The building will be leased to Danfoss Drives. Meridian is coordinating the project on a design/build basis with Heitman Architects, and Jacob & Hefner Associates is providing architectural and civil engineering services.
