## MERIDIAN DESIGN BUILD ADVANCES ON 506,800-SQUARE-FOOT SPEC FACILITY

ROMEDEVILLE, ILL. — Construction is underway on the third spec facility being built within the Land and Lakes Bluff Point Business Park, which is located at the corner of Joliet Road and Bluff Road in Romeoville. On behalf of developer Land and Lakes Development Co., Meridian Design Build is serving as design/build general contractor for the project. Upon completion of the project, Bluff Point III Distribution Facility will measure 506,800

Meridian Design Build is
