

MERIDIAN STARTS CONSTRUCTION ON ROCK ISLAND BUILD TO SUIT

Meridian Design Build's National Projects Group recently broke ground on a 189,926 SF package sorting and distribution center in Rock Island, IL for Indianapolis-based Scannell Properties. The facility will be located on a 29-acre site at IL-92 and Turkey Hollow Road.

The building will include 8,259 SF of office space, 59 loading docks, 193 exterior trailer stalls and 160 van storage positions. A separate security building and fenced enclosure will provide controlled access to the facility.

Meridian Design Build's project team is led by Michael Winger, Director of the company's National Projects Group. Architectural services are being provided by Precept Design, LLC and civil engineering work is being completed by Shive-Hattery.

Meridian Design Build, a Member of the U.S. Green Building Council, offers full-service general contracting and design/build services to the industrial, office, healthcare, retail, hospitality, and commercial markets. More information on Meridian Design Build can be found at www.meridiandb.com.
