

Runkel

Ben Runkel has joined **Meridian Design Build** as associate project manager. Previously, he was a senior construction engineer with Chicago-based FH Paschen. He will assist in the management and construction of Internationale Centre 15, a new 349,000 square foot speculative distribution facility being developed by ProLogis at their Internationale Centre development in Woodridge. He has a bachelor's degree in construction management from the Milwaukee School of Engineering.
