

Joe Blanchard has been promoted to associate project engineer at Meridian Design Build. Since joining the firm last fall, Blanchard has completed several projects for Reno-based DP Partners including a 364,000 square foot expansion and a new 260,000 square foot multi-tenant speculative facility, both located in LogistiCenter at Sauk Village.

Other projects Blanchard has been involved on include tenant build-out work for Del Monte, Warehouse Specialists Inc., and Lewis Goetz.
