

## **MANUFACTURER LEASES ELK GROVE BUILDING**

Moss Inc., a leading manufacturer of tradeshow exhibits, has selected Meridian Design Build to complete the renovation of a 104,930-sq-ft industrial building at 2600 Elmhurst Road in Elk Grove Village to accommodate manu-

facturing and warehouse operations.

Moss Inc. entered into a long-term lease with the building owner, Mirvac Industrial Trust, earlier this summer following an extensive search of space available within the O'Hare submarket coordinated on their behalf by Marat Safir of Taurus Realty Partners. Chris Nelson of Lee & Associates of Illinois LLC represented the landlord in the transaction.

Bob Kolcz, project manager, and Tom McNett, superintendent, are coordinating the project for Meridian Design Build.
