Meridian Design Build Expands National Reach with Special Projects Group

Paul Chuma, President and Howard Green, Executive Vice President recently announced that Michael Winger has joined Meridian Design Build as Director of the company's Special Projects Group.

Meridian's newly formed Special Projects Group will focus its efforts building upon the company's recent success completing build to suit projects outside of the Chicago market for its national clients.

Mr. Winger has worked in the construction industry for over 20 years and has significant experience pursuing and delivering large design/build projects for local and national clients. Winger graduated from Purdue University with a Bachelor of Science degree in Civil Engineering in 1991 and earned his Master's degree in Business Administration from University of Iowa in 1995.

"We're excited to have Mike on board and are looking forward to leveraging his expertise as we expand our operations to better serve the needs of our client base on a nationwide basis." said Paul Chuma, President and co-founder of Meridian Design Build.

Meridian Design Build, a Member of the U.S. Green Building Council, offers full-service general contracting and design/build services to the industrial, office, healthcare, retail, hospitality, and commercial markets. More information on Meridian Design Build can be found at www.meridiandb.com.
