Meridian Design Build recently completed 510,722 square feet of construction on two buildings for developer Scannell Properties in Twinsburg, Ohio.

The new facilities — a 303,888-square-foot build-to-suit and a 207,360-square-foot speculative industrial building — are located on 59 acres of land within Cornerstone Business Park.

The build-to-suit project, built for a provider of global shipping and information services, features 99 loading docks, 236 interior van loading position, 509 exterior trailer stalls and 15,434 square feet of office/administrative space.

The multi-tenant speculative building includes 171 auto parking stalls, five tenant entrances and 26 loading docks. One tenant has already taken occupancy.
