Meridian Awarded South Carolina Package Sortation Facility

Meridian Design Build's National Projects Group was recently selected by SunCap Property Group to design and construct a 254,353 SF package sorting and distribution center on a +/- 60-acre site in Spartanburg, SC. The facility will be located just off I-85 at Falling Creek Road and Fort Prince Boulevard.

The new automated sort facility will include 98 loading docks, 166 interior van loading positions, 195 exterior trailer stalls, and 10,953 SF of office/administrative space. A vehicle maintenance facility, remote fueling island, and gateway security building will be provided to support the daily operations of the facility.

Architectural services are being provided by McMillan Pazdan Smith Architecture and civil engineering work is being completed by Blackwood Associates Inc.

Meridian Design Build, a Member of the U.S. Green Building Council, offers full-service general contracting and design/build services to the industrial, office, healthcare, retail, hospitality, and commercial markets. More information on Meridian Design Build can be found at www.meridiandb.com.
