Meridian to Construct Rockford Area Package Handling Facility

Meridian Design Build was recently selected by Ruedebusch Development & Construction, Inc. to design and construct a 186,533 SF package sorting and distribution center on a 24-acre site in Winnebago County, IL. The new facility will be constructed in Venture One's Rock 39 Industrial Park situated in the I-39 Logistics Corridor.

The new automated sort facility will include 7,516 SF of office space, 187 exterior trailer stalls, and a 390 car parking lot. A vehicle maintenance garage and gateway security building will also be constructed to support the facility.

Architectural services are being provided by Cornerstone Architects, Ltd. and civil engineering work is being completed by Jacob & Hefner Associates.

Meridian Design Build, a Member of the U.S. Green Building Council, offers full-service general contracting and design/build services to the industrial, office, healthcare, retail, hospitality, and commercial markets. More information on Meridian Design Build can be found at www.meridiandb.com.
