Meridian Completes Spec Building in SE Wisconsin

Meridian Design Build recently completed construction on a 132,002 SF speculative industrial facility in Mount Pleasant, Wisconsin. The building, constructed for Land and Lakes Development, offers 10 loading docks, two drive in doors, and 153 parking spaces.

The facility, located about 1 mile east of Interstate 94, is the first to be built in Land and Lakes' new 60-acre Mount Pleasant Business Park, which has the potential to accommodate up to 800,000 square feet of new construction.

Architectural services were provided by Harris Architects and civil engineering work was completed by Pinnacle Engineering Group.

Meridian Design Build, a Member of the U.S. Green Building Council, offers full-service general contracting and design/build services to the industrial, office, healthcare, retail, hospitality, and commercial markets. More information on Meridian Design Build can be found at www.meridiandb.com.
