Meridian Completes Construction on Indianapolis Spec Project

Indianapolis, IN, July 7, 2020 – Meridian Design Build recently completed construction on a 367,808 SF multi-tenant speculative industrial building for Exeter Property Group in Indianapolis, IN. The new facility is located on a 31.68 acre redevelopment site at 5325 Seerley Road.

The 36' clear height multi-tenant building is designed to accommodate up to 80 dock positions, 4 drive-in doors, 304 auto parking stalls and 41 exterior trailer stalls. The building marks Meridian's 4th project in the Indianapolis market and its 4th project for Exeter Property Group.

Architectural design was provided by JRA Architecture. Civil engineering services were provided by Banning Engineering.

Meridian Design Build, a member of the U.S. Green Building Council, offers full-service general contracting and design/build services to the industrial, office, healthcare, retail, hospitality, and commercial markets. Meridian Design Build's National Projects group has successfully completed 23 projects in 12 states over the last 8 years. More information on Meridian Design Build can be found at www.meridiandb.com.
