EDWARDSVILLE, ILL. — Meridian Design Build has completed the construction of a 673,920-square-foot speculative industrial building in Edwardsville within metro St. Louis. Exeter Property Group was the developer. The new facility is located on a 135-acre parcel within Gateway Commerce Center. The building features a clear height of 36 feet, 132 loading docks, four drive-in doors, 398 auto parking stalls and 171 exterior trailer stalls. JRA Architecture and Stock & Associates Consulting Engineers Inc. made up the project team.
