## Meridian Completes Bartlett Manufacturing Facility

Bartlett, IL, November 20, 2024 – Meridian Design Build recently completed a 51,500 SF manufacturing facility for International Packing & Crating (IPC) at 1313 Jack Court in Bartlett, IL.

Work included construction of 3,700 SF of office/employee facilities and 47,800 SF of shop improvements consisting of compressed air piping, dust collection ductwork, power distribution, and lighting to support a full-service crating and custom packaging operation.

The project was completed on a design-build basis with architectural services provided by Heitman Architects Incorporated. Civil engineering design services were provided by V3 Companies, Ltd.

Meridian Design Build, a member of the U.S. Green Building Council, offers full-service general contracting and design/build services to the industrial, office, healthcare, retail, hospitality, and commercial markets. More information on Meridian Design Build can be found at [www.meridiandb.com](http://www.meridiandb.com).
